8' x 6' Haughley Summer House

£ 1,600.00

This lightweight octagonal summerhouse features panoramic views through its generous range of windows and doors and will compliment most small gardens. This display model also features felt tiles to further enhance the buildings aesthetic appeal.

10' x 9' Traditional Wooden Greenhouse

£ 2,000.00

Since this photo was taken this building has been refreshed with a coat of Dark Chestnut wood treatment, making it the ideal opportunity to install it in a new home. The greenhouse has automatic vents to prevent overheating and internal benches to create the perfect propagation space in your garden.

7' x 5' Pent Shed

£ 350.00

This shed is only a year old and would suit any small garden or allotment. It is constructed from pressure treated timbers throughout, so will provide years of trouble free security for your gardening tools and equipment behind its mortice locked door.
